She is a confident little girl but nursery has shown how to use her confidence in the right way

7/22/2017 6:39 AM

She has developed some really good friends and has enjoyed helping out with the snacks

7/21/2017 3:49 PM

██████ has become more and more confident every day being at Beech green nursery

7/20/2017 3:00 PM

██████ confidence and social skills have grown considerably this year. I can now leave him for his session without tears and he always tells me how much he loves it at preschool.

7/19/2017 9:14 PM

He is much more confident when playing with other children. He will approach and initiate play with others

7/19/2017 12:23 AM

██████ started nursery very shy, even with some family members. Since starting nursery she's become a confident and happy little girl. Enjoys talking to other children and adults. She's like a completely different child.

7/18/2017 11:29 AM

My child's confidence has improved tremendously since she has been at beech green. She used to be a quiet and unsure little girl, now she is outgoing and ready to have a go at anything.

7/17/2017 10:49 PM

She has always been a quite confident child but I think social skills of mixing with other children has been beneficial to her sharing and peer interaction. She has made good friends in her class.

7/17/2017 9:15 PM

My child's social skills and confidence have been hampered by delayed speech, this is now beginning to improve

7/17/2017 8:26 PM

My child mixes well and it's the friendships she has formed that make her so confident. All the variety of activities they are involved in really are fantastic and enable social skills development.

7/17/2017 8:17 PM

Beech green staff were excellent when my daughter was upset about being left at the setting and she developed confidence in staying there alone and trusting adults to help her 7/17/2017 7:54 PM

This nursery has been great for my son he's enjoyed every minute and everyone has helped him develop with his speech and his personality he will miss this nursery and the teachers lots, thank you to you all.

7/17/2017 7:49 PM

██████ has learnt to share with other children much better over this past year and has made some close friends

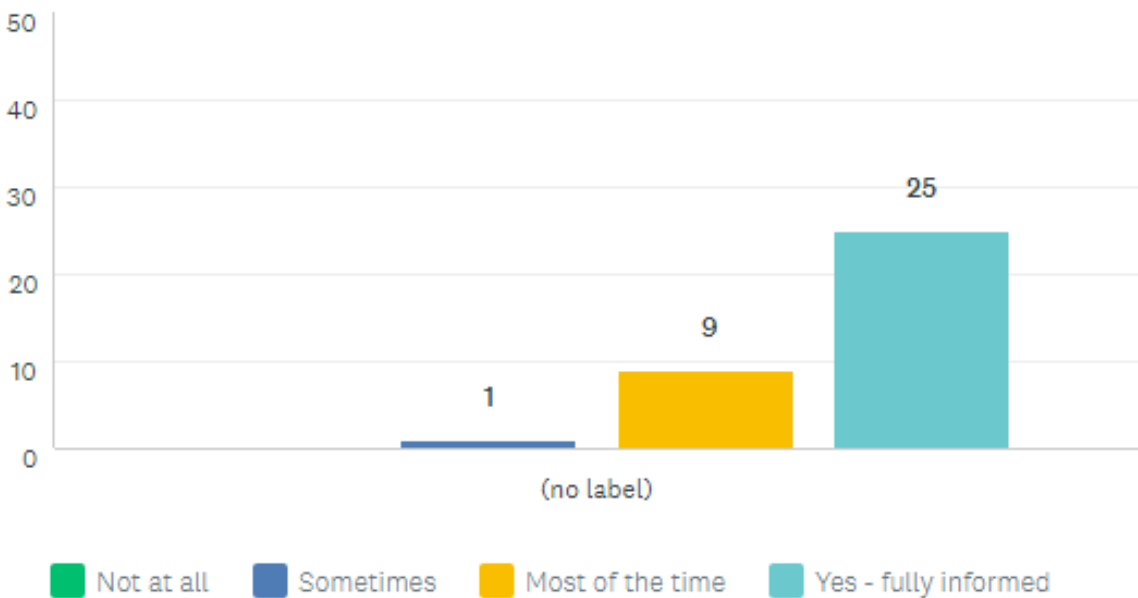

7/17/2017 7:28 PM

I'm so pleased with how ██████ has developed. The skills he has learnt at school have reflected in his home life.

7/17/2017 7:26 PM

Do you feel you have been kept well informed about your child's progress during their time with us?

Do you feel you have been kept well informed about your child's progress during their time with us?

Tapestry and conversation

7/22/2017 6:39 AM

Tapestry has been really useful for this as have the quick conversations with the person collecting her about how the session has been.

7/21/2017 3:50 PM

The tapestry learning journey has been a fantastic way of keeping us informed and also the parents evening was useful as it gave us the opportunity to speak to [REDACTED] keyworker about his progress and next steps.

7/19/2017 9:15 PM

Tapestry is brilliant for letting us know what [REDACTED] has been up to and the progress he is making

7/19/2017 1:32 PM

The tapestry app has been very useful

7/19/2017 12:10 PM

Tapestry journal is very helpful and face to face talk

7/19/2017 11:23 AM

Tapestry. I feel like there weren't so many opportunities to go in to nursery and chat with his key worker (like parents evening) as there have been in previous years - with my older children. *The number of parent's evenings / information meetings has not been reduced.*

7/19/2017 12:25 AM

We love looking at our child's Tapestry account as a family

7/18/2017 12:52 PM

Tapestry has been amazing.

7/18/2017 11:29 AM

We had a communication book to start with as our daughter is with a Childminder and nursery. But nursery stopped filling it in.

7/18/2017 8:06 AM *The communication book was not being filled in by the other setting or the parent. It was felt that this system was not working.*

I love being able to check up and view her journal online. It also allows me to look back and see her progress easily

7/17/2017 10:51 PM

I have particularly enjoyed being able to view the tapestry observations as they happen, it has helped me to keep up with what she is learning and interested in. it has also been lovely that during drop off or pick up times not only has her key worker mentioned things of particular interest but so have other staff. It is lovely to see how all the staff support each other and all of the children

7/17/2017 10:12 PM

Tapestry is a great tool for sharing information and achievements.

7/17/2017 9:17 PM

We love Tapestry and the EYFS updates it gives us. A slightly more detailed hand-over at the end of each session would be nice for a general overview of how she has been that day and what she has done so we can talk about it and develop the skills used that day further. *A detailed, verbal handover at the end of each session, for every child is not practical. Staff are always available to chat at the end of a session, if the parent wishes to wait until all the children are safely handed over.*

7/17/2017 9:17 PM

The work they bring home, parents evening and Tapestry is brilliant (as children don't tell you what they have been doing!) and you feel you can ask questions at all times.

7/17/2017 8:28 PM

Regular letters and the tapestry app. I loved the app and wish the other setting we use had this facility

7/17/2017 8:27 PM

I think the tapestry is brilliant and keeps me up to date with what my child had been up to. Love seeing how well she is doing. Very impressed with receiving a phone call to say my child had settled well, after an unsettled drop off.

7/17/2017 8:21 PM

Tapestry has been brilliant in keeping me informed on my daughter's progress and her key worker Mrs Clarke was always approachable

7/17/2017 7:57 PM

Parent meetings, staff especially jacks key worker Mrs Sweetman very approachable at any time inc drop off and pick up

7/17/2017 7:50 PM

Tapestry is great to see what [REDACTED] gets up to during his sessions.

7/17/2017 7:28 PM

Fantastic communication from staff and I love the tapestry

7/17/2017 7:28 PM

The tapestry journal is a fantastic tool to see what my child has been up too.

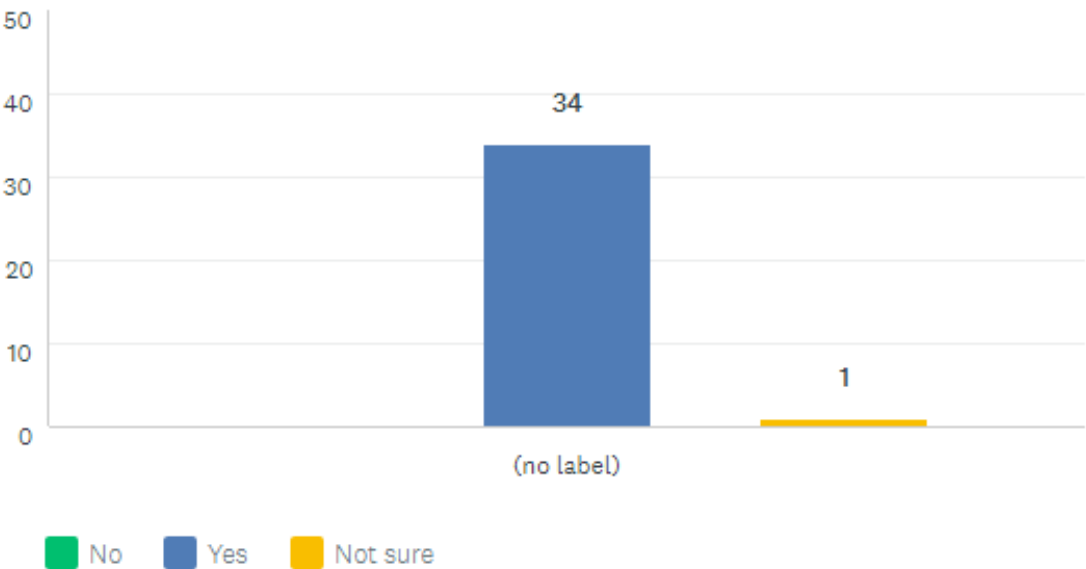

7/17/2017 7:20 PM

Tapestry has been great and we have always been able to ask/speak to someone if we have thoughts or concerns.

7/17/2017 7:20 PM

Thinking about your child's Tapestry Journal now. Has this been a positive addition to your families time with us?

Such a fantastic resource

7/22/2017 6:39 AM

Found this very useful to know what my child is doing when they don't always like to talk about it after school

7/19/2017 12:11 PM

I love showing it to my child so he knows I can see what he gets up to at nursery

7/19/2017 12:25 AM

We love being able to see what our daughter has been doing at Nursery

7/18/2017 12:53 PM

I love it

7/17/2017 10:51 PM

The tapestry journal is fantastic we have loved seeing what our son has been doing and the feedback from his keyworker

7/17/2017 10:18 PM

I have loved the fact that I was able to add things to it when we have done things at home. It's fantastic to have a recent account of what's been going on

7/17/2017 10:13 PM

We really enjoy reading it. Perhaps a link to an explanation of what/how you are rating, expected progression, developmental norms etc would be helpful. I find the scales quite hard to understand without this. For instance I had to look up what the Leuven scale is. *Consider a letter to parents or a meeting to explain the terminology of the assessments used in Tapestry (Autumn 1)*

7/17/2017 9:20 PM

I have loved seeing this moments in my child's nurse journey. As a parent you want to know what they get up to each day and this tool provides you with that

7/17/2017 9:19 PM

It's wonderful to see what they're doing and to share what you're doing at home, it's a great prompt for conversation to be able to show the pictures to your child

7/17/2017 8:28 PM

Love seeing all the photos and videos of my child and keeping me up to date with what she's been doing. Very informative

7/17/2017 8:22 PM

Loved it - glimpses into her day I wouldn't normally see!

7/17/2017 7:57 PM

I'd like to see more, i love to see how well [REDACTED] is getting on and would love to see what he's up to every day. Although I completely understand this isn't possible

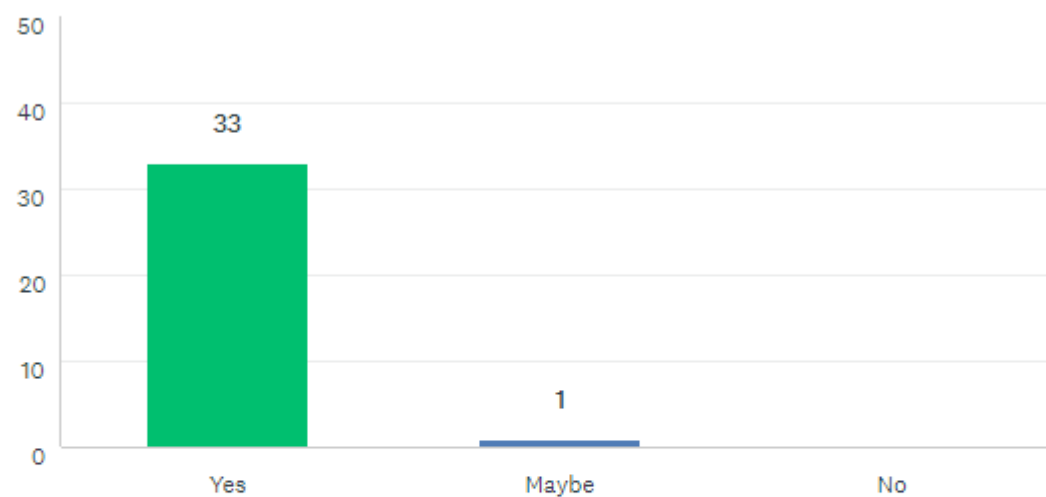

7/17/2017 7:29 PM

It's fab! We particularly like the ability to download the PDF at the end of the year.

A fantastic setting that provides consistency

7/22/2017 6:40 AM

She has really enjoyed her time at Nursery and this is really promising for her future education.

7/21/2017 3:51 PM

We are so pleased with the year [REDACTED] has had at preschool. He loves the range of activities and experiences that are provided for the children and as a parent I have felt well informed about how he is getting on. I would definitely recommend Beech Green Nursery to others and I cannot thank you enough for the fantastic year [REDACTED] has had!

7/19/2017 9:18 PM

Really impressed with how Mrs Williams has helped my daughter feel confident and comfortable in a new environment so she doesn't cling to me anymore when I leave.

7/19/2017 12:13 PM

Thank you for everything you have done this year and I look forward to watching her progress and flourish next year in pre school

7/17/2017 10:52 PM

Only to say a massive thank you to all the staff that have worked with [REDACTED] over the last 18 months, you have all prepared her for school life amazingly and I'll be forever grateful for that.

7/17/2017 10:15 PM

My only annoyance is the sessions which get cancelled. I rely on Nursery for my childcare whilst I am at work and this can be quite hard to cover if I am Unable to take leave. *Families are informed of INSET days for the year in September. The only other session we would close would be for new starters' visits in July. We will ensure we give families a longer period of notice for these. The other change to sessions would be the Christmas party (PS) and sports day (PS) but all children are invited to these. Once again we will ensure families have a longer period of notice for these events.*

7/17/2017 9:22 PM

Thank you for making us so welcome, although my child only has one session a week, I really felt he was known and valued like the other children

7/17/2017 8:30 PM

Fantastic nursery, amazing staff. I will be sad to see my child leave for big school.

7/17/2017 8:23 PM

Thank you so much to all at the nursery/pre-school. We could not have had a better experience and our boys have absolutely loved it. We would unreservedly recommend the setting to anyone considering it.

7/17/2017 8:23 PM

Thank you for all your kindness and encouragement shown to my daughter [REDACTED].

7/17/2017 7:59 PM

Thank you to Mrs Neate and all the staff for their support with [REDACTED] learning and development. He loves school and cannot wait to start reception and much of that has to be credited to Beech Green Nursery.

7/17/2017 7:30 PM

Thank you to all the amazing staff for helping to enhance and excel my little man

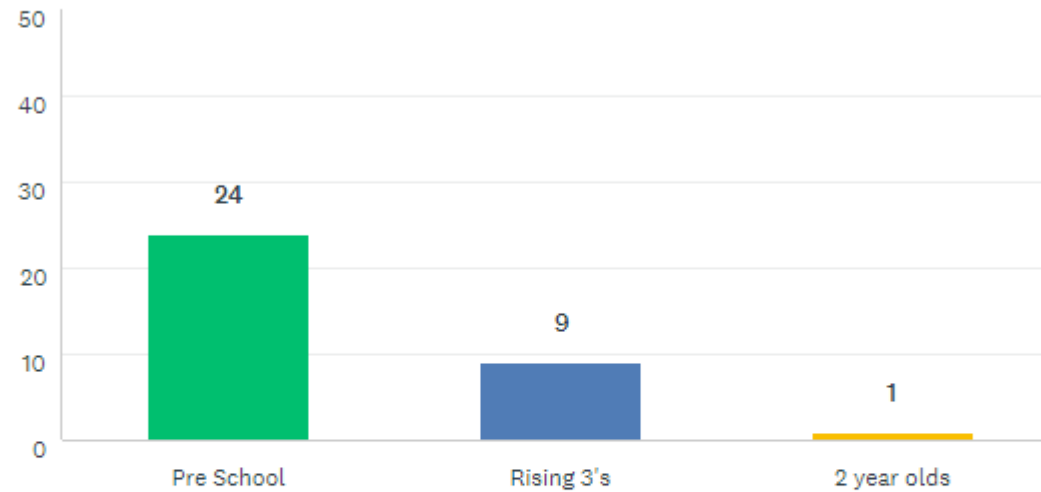

7/17/2017 7:30 PM

The staff are friendly and have been at the nursery a while which indicates that it is a good environment to work in. My daughter is always happy to go to preschool.
