

Beech Green Nursery Autumn Term 2019

Beech Green Nursery

We have really enjoyed getting to know you and your child. The children have settled in really well and are having lots of fun. To help us ensure we continually improve our provision for your children, we would really appreciate a couple of minutes of your time. We promise it won't take long - there are only 8 questions!

Your thoughts are really important if you have only moved rooms or if you are totally new to our setting.

Thanks

Before starting with us, did you receive all the information you needed to know?

- The only thing we didn't know was the routine when we arrive with our child in the morning so felt a bit lost. We soon picked it up by copying other parents.

We are using Tapestry, our online Learning Journal, this year. Have you been on your child's online Tapestry Journal yet?

It's a great app to know what your child has been getting up to.

Would you recommend Beech Green Nursery to your friends and family?

] Beech Green is a wonderful Nursery. I know a few other families which attend and made some friends of my own. It feels like a very warm and welcoming atmosphere and the staff are incredible; Sally, Amy and Laura especially. Thank you all.

] I'd recommend a review of the paints used at nursery as our child has ruined an expensive coat by being allowed to paint outside- perhaps aprons should also have been used. This is the reason we bought her uniform!

] When our child went through a stage of crying when we left her, you have been so supportive. We felt so at ease knowing how much you cared for her and now she doesn't cry at all when I leave. Thank you for all the support.
