July 2018

Dear Beech Green families,

Thank you so much to everyone that completed our short survey a few weeks ago. We are very grateful for your thoughts and feedback.

Highlights

- We are delighted that your children are really happy at Nursery and are enjoying all the fun and learning we provide for them.
- Many families commented on how they felt confident leaving their child with us knowing that they would have a great time and would be very well cared for.
- A huge number of families commented on how well their child has developed socially and were very grateful to the staff for their part in this significant progress.
- The communication between Nursery and home seems to be working well. The vast majority of families commented on how well they are kept informed and supported by staff.
- You were unanimous in your praise of Tapestry. We are delighted you are enjoying seeing what your child is up to and how they are progressing. Many families commented on how it is a great prompt to get your child talking about their day, rather than the response “nothing” when asked what they have been doing!

Areas for development

- A couple of families asked for more parent’s evenings, as they had found them very useful.
We will look at this as a setting and see if it is practical to add additional parent’s evenings.
- One family felt that on the occasions we had to cancel a session, this was always in the morning.
We will look at our yearly diary to see if any events could be changed to the afternoons. Some events like Race 4 Life and sports day are arranged by school so are somewhat out of our control.
- Our 2 year old families were under represented in our survey.
As a setting, we need to look at different ways to enable these families to share their thoughts and ideas.

Thank you again for taking the time to share your thoughts with us. We are always striving to provide the best possible early years education for your child.

If you ever have any queries or questions, please don't hesitate to ask a member of staff, they will be happy to help.

Thank you for your continued support and partnership.
