July 2019

Dear Beech Green families,

Thank you so much to everyone that completed our short survey a few weeks ago. We are very grateful for your thoughts and feedback.

Highlights

- ❖ “Thank you, Beech Green Nursery, for doing an amazing job and always putting the needs of my child first. I love the way all the staff go above and beyond in making the children’s experiences fun and educational” This parent’s quote reflects many that we received.
- ❖ The use of the online learning journal, Tapestry, has been very well received and families have enjoyed the chance to get an insight into their child’s life at Nursery. Families report it has been reassuring, informative and a great conversation starter.
- ❖ Communication between staff and families has been highlighted as a strength of our setting and something that has been very much valued.
- ❖ Several parents have really appreciated the support not only for their child but also for themselves, when they have faced personal or family challenges.
- ❖ Most parents felt their child has improved their social skills and levels of independence during their time at Nursery.

Areas for development

- We didn’t receive any comments that highlighted any areas of improvement for us.
- Whilst we are delighted that there is nothing families want us to work on, we are not sitting back and relaxing!
- We have identified the following areas that we want to focus on during the next year.
 - The development of early language skills.
 - To raise the profile of early reading skills and the love of books, both in Nursery and at home.
 - The enhancement of the outdoor learning space.

Thank you again for taking the time to share your thoughts with us. We are always striving to provide the best possible early years education for your child.

If you ever have any queries or questions, please don’t hesitate to ask a member of staff, they will be happy to help.

Thank you for your continued support and partnership.
